

Atkins is the top marksman

TOP SCORER with Chesham United this term is Stewart Atkins, who has over 20 goals to his credit. Atkins, who joined from Hertford Town a year ago, is fourth in the Rothmans Isthmian League, Division Two list of marksmen. Here's a run-down on the rest of the Chesham line-up.

DEFENCE

LAURIE COLE (Goalkeeper): Local player who has developed into one of the best keepers in Division Two. Has been with Chesham for two seasons and is now the regular first team choice.

KEN GREGORY (Full back): United's longest serving player with five years' service at the Meadow. Recently switched from upfront to the full back shirt.

DAVE SUMMERLING (full back): Short but nippy player who has played for Aylesbury, Marlow and Amersham. Also a former front runner, Summerling has fitted in well at full back. Another local player.

LES BURGESS (Centre back): Chesham's most experienced player now in the limelight of his career. Captained Chesham in 1968 when they reached the Amateur Cup Final. Returned to the club from Hillingdon this term.

DAVE LE SAGE (Sweeper): Another long serving player who has taken on a more defensive role this term. Formerly with Hertford, he has curbed his aggressive tendencies this year after disciplinary trouble last season.

MIDFIELD

AND ATTACK

GORDON TAYLOR: Skipper of the club, and in his second season at the

Meadow. Schemer of the side with excellent ball control. Formerly with Hertford.

TOM JOHNSTON: Former Aylesbury striker, who has reverted to a midfield role this season. A hard-working player, Tom is a regular R.A.F. representative.

ROGER GRIMMOND: Local player who joined from Herts County League side Leggat's Way this term. A tall centre forward who is good in the air, Grimmond has 12 goals to his credit this season.

ALF CAMERON: Berks and Bucks County cap who signed from Stony Stratford at the start of the season. A player who likes to come through from midfield, has half-dozen goals to his credit.

KEN BEAVEN: Another County player whose speed is his greatest asset. Signed from Hertford two years ago.

BERNIE MAPP: Broke an arm early in the season and only just coming back to full fitness. Three years with Chesham and formerly with Hitchin. Likely substitute.

PHIL SEWELL (Defender): From High Wycombe, young player, Berks and Bucks Youth representative.
